Dear Mr. Olah:

On behalf of Parsons Child and Family Center and the children and families in our care, thank you for your gift of \$3,092.75 to the Parsons Annual Fund for Children's Families restricted to Children's Activity Fund.

Your donation is an investment in Parsons, an investment to provide services in a way as to strengthen our community, and to offer hope and solutions to children and families facing seemingly insurmountable circumstances in their daily lives—lives often filled with poverty, abuse, and misfortune.

At Parsons, we do not take your support for granted. We understand that much thought went into your investment, and that you share the same values and concerns for the community that Parsons has sought to address over the decades.

All who support Parsons do so with the expectation that the investment will be used in a responsible manner. As good stewards, we are proud to say that 90 percent of your investment will go directly to services that enable children to grow, learn, and heal so that they might reach their potential.

Thank you again for your confidence in our work, and for the help you give to the children and families we serve.

Sincerely,

  
Karen E. Mantas  
Director of Development and Communications

*Thank you for this generous donation, and for your faithful support of Parsons.*
